

ARLINGTON SCOUT DRIVE IN GOOD START

Hopes to Reach Goal By End of Week

With more than forty people in attendance at the opening dinner of the Arlington Boy Scout finance campaign at the Presbyterian church Monday evening and a similar number present by "proxy," things point to a successful completion of the entire affair by the end of the week and thereby making Arlington Heights the third community in the entire Northwest Suburban council to go over the top this year.

At Monday's meeting Mr. Chas. S. Stewart, finance chairman of the Northwest Suburban Council spoke on the importance of Scoutship to a community and a similar number present by "proxy," things point to a successful completion of the entire affair by the end of the week and thereby making Arlington Heights the third community in the entire Northwest Suburban council to go over the top this year.

Church Celebrate 400th Anniversary of English Bible, 6 Weeks Program

For three weeks on each Friday night large numbers have attended the showing of the Bible pictures which are being presented by Charles Babcock of Chicago. There are three more Friday night services and we advise our friends to come early if they wish to find a seat. The citizens of Arlington Heights are being offered a rare opportunity insofar that they can come to St. John's church and see the entire Bible in pictures. The next three Friday night programs will bring you two consecutive lectures on the life of Jesus and one lecture on the Acts and Apostles. There is no admission and everybody is heartily welcome. The pastor, Rev. M. L. Straube feels sure that six services in behalf of the 400th anniversary of the English Bible will not be too many. The service on Friday night starts at 8 o'clock.

Dad's Day Is Saturday At Arlington Heights

Saturday afternoon, October 26, has been designated as Dad's day at Arlington Heights high school this year, and the football game being with Palatine, all of the Dad's are assured of an interesting and exciting game.

The Arlington team has lost but one conference game, and the squad is composed of a rapidly improving bunch of players, and Arlington is always given plenty of competition when meeting Palatine in any sport.

The Arlington Heights high school is very proud of its athletic teams, the personal conduct of its players, and of the sportsmanship of its entire student body, but the school has not had adequate support from the parents in many efforts made in behalf of student activities. What better opportunity can there be to show your interest in your children's school activities and interests, or to meet their friends, than to come out and help them beat Palatine, Saturday afternoon, at 2:30 p. m.

TEACHERS ONLY GO TO SCHOOL NEXT MONDAY

Lake Shore Division of State Teachers Assn. to Meet at New Trier

There will be no school next Monday for pupils of the grade or students in the high schools of Lake and Cook county. The annual meeting of the lake shore division of the Illinois State Teachers' association will be held at the New Trier high school, Winnetka. The speakers are Dr. B. R. Buckingham, Dr. Malcolm S. MacLean and Dr. Ralph W. Sackman.

Co. Supt. Puffer Calls Conference Of School Men

Noble J. Puffer county superintendent of schools, has arranged for three sectional meetings in Cook county to which he has invited all public school officials. "Feeling the need for an opportunity," states Mr. Puffer, "to discuss with the people vitally interested in education some of the pressing problems, I have arranged for the presence at the above meetings, T. A. Reynolds, assistant state superintendent of schools, a licensed Illinois attorney, who will discuss legal matters pertaining to our schools and will conduct a discussion forum following his talk."

C. C. Stadtman will discuss educational problems as they effect Cook county and Illinois. The meetings will be very informal and school officials are asked to come with questions which they desire to submit to the two men.

The omission of any school legislation from the call for the special legislative session, by Gov. Homer, is a great disappointment to school men generally. There are several million dollars of state distributive money that the schools had hoped to get released.

The three conferences will be held as follows:

Tuesday, Oct. 29, 7:30 p. m.—Maine township high school, Dempster and Potter road, Des Plaines.

Wednesday, Oct. 30, 7:30 p. m.—Oak Park high school, Ontario and East avenue, Oak Park.

Thursday, Oct. 31, 7:30 p. m.—Bloom township high school, Chicago road, Chicago Heights.

Famed Naturalist To Speak Before Assembly

Whistling Ensemble Here Friday, Nov. 1

An unusual musical program will be presented for the approval of the people of Arlington Heights on the night of Friday, Nov. 1, when Fay Epperson's Whistling Ensemble will appear at the Methodist church. The men's club is sponsoring the program on the recommendation of persons who have heard it previously. Fifteen whistlers offer popular numbers, old folk songs, and melodies from great composers. Miss Stella Langworthy, who has appeared before a local group as a whistling soloist, is a member of the ensemble. A violin soloist and a trio of whistlers are additional attractions.

Among the outstanding selections which will be given that night are the following: Grainger's "Country Garden," "Dark Eyes," Ketelby's "In a Chinese Temple Garden," and "By The Waters of Minnetonka;" "Nobody Knows the Trouble I've Seen" will be given as a violin solo. Several other songs equally attractive complete the program.

The performance will begin promptly at 8:15 o'clock and those who wish to hear it should arrive early. The number of seats available is not great. Tickets can be secured from members of the Men's Club.

Poisoning of Dog May Mean a Lot of Trouble for Somebody

Somebody in Arlington Heights has been making a practice of poisoning dogs. If Ernest Thiel, the recent owner of a valuable pedigree Scotch collie, can prove the deed upon the perpetrator, it promises to go rather hard with the latter.

The dog was discovered dead near the Thiel home on North Haddon. Examination of the dog disclosed evidence that death was from poisoning. State officers are reported to have visited Arlington Heights and to have investigated the records at local dog stores in an effort to discover the probable culprit.

Mr. Thiel is insistent that he is going to prosecute the case to the fullest extent of the law, which provides either a jail sentence of one to three years or a fine not exceeding \$1,000.

ARLINGTON STORES' NEWSY NOTES

There are many hundreds of reasons why Arlington Heights people should go shopping this week-end to the Arlington Heights business district. Pages two and three of this paper are filled with food store news.

Vern's NuVail grocery store is a new grocery with a new proprietor. Opening in the NuVail corner of the Hagenbrink building it is offering some outstanding bargains for opening days, which are Friday and Saturday.

Krause's Cash Market sold more fish last Friday than any one day in the history of that store. There are just as big meat offerings in this store for the present week-end.

Three clerks were busy last Saturday at East Miner street. The store is now under the management of Frederick Tesch. The new cash policy with correspondingly low prices seems to have made a hit with the customers at that store. There are another flock of special buys offered for the present week-end.

The Saturday specials in meats and produce continue to keep the clerks at Sadecky's busy on Friday and Saturdays. This store has some real buys the coming week. See window posters.

John Angelloff, of the Campbell St. A. & P. report that it has been his pleasure to attend to the needs of many new customers the past week. Perhaps it is due to the advertising, perhaps to the prices offered, but it is the Herald guess that it is because of the smile that John always wears.

Customers of Masny's learned long ago that quality and low prices go hand-in-hand at Masny's. This store sells meat that is meat.

At the east end of Campbell street will be found the Arlington Poultry Market, which is everything its name implies.

Truly the Herald Shopper food pages are brimful of good buys for the table.

There are other sales of equal importance to the people of Arlington Heights.

CORN-HOG REFERENDUM IS SATURDAY

Polls Will Be Open From 8 A. M. to 10 P. M. At Three Places

Five polling places have been set up in Cook county so that corn and hog producers of the county may cast their ballots in the national corn-hog referendum on Saturday, October 26, it was announced by Clara Moede, secretary of the Cook County Corn-Hog Control Association.

Only one question will be on the ballot: Do you favor a corn-hog adjustment program to follow the 1935 program which expires on November 30, 1935? All operators and owners, or their official representatives, of farms which produced corn or hogs in 1935, may vote whether they signed 1934 or 1935 corn-hog contracts or not. Each eligible person is entitled only to one vote.

The schedule of the polling places, which will be open from 8 a. m. to 10 p. m., is as follows:

Barn Bureau Office at Arlington Heights.

Harz Garage at Butternut Corners.

Farm Bureau Office at Blue Island.

High School at Matteson.

Hollstein School in Orland Township.

County results of the referendum will be wired to state headquarters at the extension service of the College of Agriculture, University of Illinois by Monday noon, and the state results, in turn, will be sent to Washington by Tuesday.

Officials of the Agricultural Adjustment Administration point out that unless a sufficient number of farmers vote favorably there will be no program. The administration must be assured that a sufficient number of farmers will participate to make a program operative and successful.

Facts upon which farmers can base their judgment have been presented at a series of community advisers, said O. G. Barrett, Farm Adviser. Evidence was presented to show that livestock numbers are far out of line with feed supplies as a result of the drought. With plentiful supplies of cheap feed in prospect and with rapid rebuilding of swine numbers possible, farmers and consumers face the prospect that the next three years may bring the greatest increase in hog production in a similar period and consequent disastrous hog prices.

During the past 45 years there have been 10 such violent up and down cycles, which have undermined the swine industry, brought violent upswings and downswings in pork prices, destroyed farm buying power and wiped out markets for industrial products.

F. W. Gieseke is offering all-star values in wear apparel for the ladies, men and children, at astonishingly low prices. There are included in the sale, wash frocks at 98c, fall hats at \$1.88, dresses at \$3.95, sweaters, neckwear hosiery, school clothes and as many other good buys as there is room in a four page two color circular. (If you did not get yours, ask for one). The sale ends Saturday.

Christmas is only eight weeks away and the Wilke jewelry window is the first to bring the Christmas spirit into the Arlington Heights shopping district. A dollar deposit will hold any goods at Wilke's for Christmas delivery. His Christmas stock is now on display. Shop now and get the gift question out of the way.

None of us have gone barefooted this summer, but a lot of us have delayed ordering new fall shoe and winter shoes. Hartmann's on page 5 has some interesting news for those who are going to treat their feet to new shoes.

More winter coats have been sold in Arlington Heights this fall than in any recent year. The Emerald Shop is the reason. And a lot of the Emerald coats go to neighboring communities. The same applies to the dresses.

All of which means that Arlington people are becoming home shopping conscious by means of the advertisement that they read each week in the Herald Shopper.

Another Hagenbrink coupon sale is on the air. The coupons are on page 8. Clip them and take advantage of the many bargains that are in this store until next Tuesday.

There can not be any excuse for any room going unpapered this fall when Webber Co. makes the offer that is shown on page 5 of this issue. Remaining rolls in stock have been grouped according to room sizes and offered at a room price, even as low as 79c per paper to cover the walls of an entire room. Webber's is the recognized wall paper and paint house of northwest Cook county and from a large stock from the most moderate to the more expensive lines.

Parents Told "Why" They Should Visit the Schools

At the Parent Education class meeting held at the South school on October 21, Mrs. Crumlish led the discussion on "Why Parents Should Visit the Schools." She stressed the importance of visiting schools by the parents as an aid to both the teacher and the child. Also that the parent learns to understand his own child better by seeing it in a different environment from that of the home, and is therefore better able to solve the child's problems. She asked the parents to state what they have learned from their observation while visiting school. Many interesting and helpful points were brought out in this way.

Following the discussion, Mrs. Paul Williams introduced the speaker, Mrs. Ford, who gave a fine talk on "Health and the Home." She emphasized the importance of the home as a place where the child can be in building strong and healthy bodies of the growing child. Then she discussed the need of proper exercise, rest, care of the eyes and teeth, medical care, and the necessity of caution on the part of the parent during quarantine. Her talk was very much appreciated by the parents.

The next meeting will be held at the South school on November 4, at 3:45 p. m. Mrs. Haupt will give a talk on "Knitting and Yarns and their Use." She will have materials for the demonstration. The child study topic will be "Fears of Childhood," speaker Mrs. Fellingham.

These meetings are of great value to the parents as they are instructive and inspirational. All the parents are invited to attend them and prove to themselves that they can derive great benefits from them.

Democratic Club Announce Their Second Dance

The first dance of the season given by the Wheeling Township Regular Democratic Club proved so popular that the committee is planning to give a series of dances the coming winter. The next dance will be held at Weidner's Chicago House. When the music will be by Nick's Musical Entertainers. The price of admission will be 25c. "This club is for everybody," says Geo. Olcese, the president, "and everybody is welcome at our dances. Come and have a good time with us."

TAX WARRANTS CUT INTEREST PAYMENTS

Acceptance of 4 1/2 Pct. Will Save Money to Arlington Heights

Formerly Arlington Heights tax anticipation warrants called for 6% interest. The interest rate was cut to 5 per cent upon the recent ones that have been issued. Further savings will now be possible by the bid accepted by the village Monday night at 4 1/2 per cent.

It will not be necessary to issue more than \$12,000 of the 1935 warrants, which under the present arrangement will be sold in a block and it will not be necessary for creditors of the village to accept them in payment of bills. The only opposing bid called for five per cent. The necessary resolution and legal formalities attendant to the issuing of the tax warrants will be completed at an adjourned session of the board next Monday night.

The water committee reported that out of 971 accounts there were 280 delinquents, amounting to \$1,602.94 and to whom the second notice had been mailed. Final five day notices will be issued Oct. 21, and a list of delinquents will be ready for the board of trustees to consider at their meeting Nov. 4.

A letter of complaint was read regarding condition of water upon So. Walnut street. The committee reported that hydrants had been flushed since the receipt of the letter. Considerable discussion was had regarding bad water conditions at various times in other parts of the city. As an attempted remedy, water mains in districts where there are no consumers, will be shut off. It is possible that disturbance of water in such pipes, has at times affected other mains.

Mayor Flentje reported that the WPA project for the improvement of the outlet ditch had been approved and 21 men will be engaged in such work, five months.

Bills and payroll amounting to \$1,180.24 were approved. A resolution was passed fixing depository of village funds, the First National Bank of Des Plaines and the Harris Trust Co. of Chicago.

Vouchers were ordered drawn for a payment of \$2,500 on account to the Hydro Carbide corporation, also engineering and inspection work on Campbell street and Walnut street extension, all to be paid out of State gas money.

The treasurer reported the receipt from the state of \$3,034.02 of state gas money to the credit of Campbell street improvement and \$420.16 to the credit of Walnut street improvement.

Suspect of Church Robbery Flees Over Roofs of Business Dist.

Chief Skoog asked to investigate the robbery of the petty collection box at St. James Catholic church, lost his man when the latter escaped over the roof of adjoining business houses. The chief had no evidence against anyone, but the man he desired to question was reported to have been about the church. The latter was standing in the doorway of the Framburg building as officer Skoog drove up and beckoned to him. He turned, ran up the stairs, through a window to the roof of the Berbecker building. He regained the ground and was seen to dash across Campbell street.

HOME HYGIENE FREE CLASSES AVAILABLE NOW

Red Cross Instructors To Open Classes in Arlington on Care of Sick

Are you helpless when illness invades your home?

LEARN

The principles of personal hygiene—how to keep well. How to plan a healthful home. How to handle, bathe, dress, feed babies and small children, safeguarding their health.

How to make an ill member of your family comfortable; how to give a bed bath and change the bed linen.

How to serve competently in common ailments and emergencies.

To take part in the promotion and protection of community health.

Free classes in Home Hygiene and Care of the Sick are now being formed through the Community Red Cross committee, working under the supervision of the Chicago Chapter of the American Red Cross.

Red Cross classes in Home Hygiene and Care of the Sick are offered to adults and girls and boys. Each course, the standard, the modified, the junior—leads to a certificate. The courses are 70 per cent practical instruction. Red Cross nurses, duly authorized as Home Hygiene instructors, conduct the classes.

Will those interested in receiving such instruction, please call the local Red Cross committee chairman, Mrs. Rex Volz, 836 N. Belmont Ave., telephone 561-J.

Training In First Aid Given By Red Cross

For the first time in the history of the Chicago chapter of the American Red Cross, applicants for first aid training are being turned away through lack of facilities to accommodate them. James B. Forgan, Jr., chapter chairman, stated today.

"We are taking steps to remedy the situation," Mr. Forgan added, "and will soon be in a position to care for all comers. We are accustomed to popular acceptance of this Red Cross service, but we have never encountered such a demand for the course as at present. We believe the increased interest can be attributed in part to the new Red Cross accident prevention program which has aroused such widespread public attention."

"Certifications during the coming year will probably exceed this year's record breaking total. In 1935, over 4,000 individuals received first aid certificates in the Chicago area, bringing the total since the service started to 60,000 and swelling the national figure to the 1,000,000 mark.

"Participating groups, representing practically all of Chicago's neighborhoods and suburbs, include police and fire departments, women's groups, scouts, hospital staffs, industrial concerns, public utilities, safety councils, insurance companies, teachers groups, American Legion posts, and various other agencies and organizations."

There! I almost forgot to remind you to be sure to watch for the announcement of time and place for the Woman's club rummage sale—shine up your elephants.

Mr. and Mrs. Albert Cavanaugh and daughter, Evelyn, visited friends at Elmwood Park Sunday, Mr. and Mrs. J. H. Eckdahl.

Katherine Hines, who was eleven years old, October 17, celebrated with a Hallowe'en party that evening. Perhaps the fact that thirteen guests were invited made the occasion more spooky. Each guest was given a souvenir witch to take home. The birthday cake instead of bearing the traditional candles, held eleven black cats, grouped about a grinning chocolate pumpkin face.

October 23 was Leona Wisersky's ninth birthday. She had just a few friends in to help celebrate.

Tuesday afternoon the Campfire girls (Mrs. Capps group), met at the home of Mrs. Hines to make plans for a candy sale to be held Friday. Their last sale was very successful.

Our grown folks enjoy birthday parties, too. Although Mr. Raymond Atkinson was quite surprised Monday evening when his contract club members walked in and reminded him of the occasion, he entered into the fun in such a way as to again prove that "one is as young as he feels."

Mr. and Mrs. Herman Lewis, So. Dunton, are announcing the marriage of their daughter, Ethel, to Mr. Orville Reed. The ceremony was performed Sunday, Oct. 20, at Crown Point. The young couple will make their home in Chicago.

Mr. and Mrs. Roy Lawbaugh, So. Highland, have welcomed a new member into their household. It is a son, Roger Williams, who was born October 21. His sister, Laurel, is anxious for him to come home from the hospital in Elgin.

George Glow is in New York on a business trip.

Mr. and Mrs. Donald Wallace and son, Dickie, were Sunday guests at the John Monroe home.

Little Betty Albrecht, So. Walnut, celebrated her birthday with a party. There were eleven little girls who shared the fun and birthday cake and brought her many lovely gifts. The weather gift of glorious weather made the party especially pleasant.

CHRISTIAN SCIENCE CHURCHES

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 20.

The Golden Text was: "We are ambassadors for Christ, as though God did beseech you by us; we pray you in Christ's stead, be ye reconciled to God" (II Cor. 5:20).

Among the citations which comprised the Lesson-Sermon are the following from the Bible: "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us. Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God" (Hebrews 12:1, 2).

The Lesson-Sermon also included the following passages from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight. . . I have kept the faith,' because you are a better man. This is having our part in the at-one-ment with Truth and Love" (p. 21).

Thursday, Oct. 17, Mrs. H. C. Cleveland entertained members of the old time birthday group in her home. I would like to give the history of this group and the merry group who organized and named it "The Sodality." This late meeting with Mrs. Cleveland on her birthday was refreshed with sweet memories and of other days. Beautiful roses were among the fragrant gifts. The out of town guests were Mrs. Ballard of Beloit and Mrs. Jelinske from the city. It was a happy party by old time members of the Sodality group.

The home of Mrs. C. C. Schwartz was the scene of a pleasant card party last Thursday evening, when Mrs. Edna Held entertained a number of her Chicago business associates in her mother's home. A social evening, choice refreshments and pleasant games made the hours pass quickly and closed an enjoyable party for both guests and hostess.

Watch for bargains at the Woman's club rummage sale to be held December 7. Time to get bargains in Christmas gifts. Be sure and take your names off before you put books or banjos in your gifts for the sale.

Thursday, October 17, was the birthday of Mrs. Mabel Beattie and also her 8th marriage anniversary. A number of her relatives and friends gathered in the home of her parents, Mr. and Mrs. Wm. Duenn to celebrate the day. Her husband came from the home in Wisconsin to surprise her. There were games, buncos and pinocle, the first prize in buncos was won by Miss Mary Franke, and Eddie Schulerburg had the booby prize; in pinocle Miss Pahlman took first prize and Wm. Duenn, Sr., took booby prize. It was a merry anniversary party.

Friday, Oct. 18, was the birthday of Mrs. Evelyn Helfers and was celebrated by the whole family. We well know there is no family who know better how to make a jolly good time of their get-together parties and this one to celebrate Mrs. Evelyn Helfers birthday was one of the happiest, yet enjoyed.

Saturday, October 19, was the birthday of Mr. Albert Neumann. His children and friends to the number of 22 came to his home to congratulate him on his length of years, and wish him many happy returns. They brought a generous supply of eats, games and a merry party for the guest of honor and the whole company.

Mrs. Arthur Bray of 933 North Highland, was given a happy surprise on her birthday in her home Sunday, October 20. This was planned and carried out by a neighborhood group who know just how to live as befits "The City of Good Neighbors." A pot luck supper supplied the best of good things to eat. Cards and jolly games made a happy evening for the guest of honor and those who came to make her birthday one to be a happy memory.

Miss Laura McElhose and her brother, James, gathered the family clan into the old McElhose home Sunday evening for a family reunion. The McElhose sons and their families, Henry, Charles, Edward and Arthur, with James and their sister, Laura, in the home. It has been an old time custom for the McElhose to hold these get-together parties and long be the day when their number shall be less, is our sincere wish.

October 14, a company of young women met in the home of Mrs. Alfred Kreklow, to organize a round table forum for the study and discussion of topics pertaining to the home and cultural improvement. We look forward to excellent results of this progressive movement.

The Saint Cecilia Choral society of St. James church gave a "Frost Fair" in the school hall, the entertainment continuing through three days, closing with a grand finale on Sunday. One witnessing the many attractive features of this almost stupendous fair would be impressed with the vast amount of work it required to make it such an intriguing and grand success. Though named a Frost fair it was not Jack Frosts fingers that wrought those splendid attractions. A marvelously beautiful afghan made by the skillful fingers of the Ideal club was awarded to Mrs. Raoul Peeters and the beautiful cedar chest was awarded to Mrs. Catherine Stahl. There were other gifts and awards. One happy feature was the visit from the late pastor priest, Father John Wagener. The supper Sunday night served to about two hundred people, was served buffet style, with all that St. James famous caterers and royal chefs could make it. A splendid success, congratulations to the busy workers and the wise designers who helped to make St. James "Frost Fair" such a happy, satisfying success.

hear Mr. Clark Keubler, Nov. 20, a Northwestern University professor, who spent the last year in Germany, just having returned from his second trip abroad. The club has been so fortunate as to secure this noted educator in his first lecture since his return. It will be cause for deep regret if you miss this informing and inspiring treat. Those who have heard him are enthusiastic in their praise.

We're not going to let you forget while rambling through the classics that our intriguing, most gratifying feature is to be the great rummage sale. When? Told you, December 7. Watch for announcement of place and attend armed with resolution to stock up for Christmas.

Mrs. W. A. Miles is the enthusiastic go ahead chairman of the club Indian Welfare committee. For this committee work, you are requested to bring to the meeting November 20, beads, handkerchiefs, quilt pieces, etc., to be sent to the Indians.

MERLE GUILD POST AUXILIARY

The next meeting of Merle Guild Auxiliary will be held the first Tuesday in November—the fifth, to be exact. New members please note this date and do not hesitate about coming as we are going to make this "get acquainted night." The officer's themselves being new on the job will have a lot in common with you new members, so don't be bashful, but try to be there and make this first meeting of the Legion year a record one.

A word of credit should be given right here to Jo Pope for the wonderful work she did on membership. Jo brought our membership up to 100%—not by sitting at the phone and politely asking prospective members in a small voice if they would like to join, but by going out day and after day—yes, and night after night too—sometimes three or four times to the same prospect until she had convinced them that to join would be to their advantage in a social as well as a patriotic way. More power to you "Jo."

Fourteen members attended the

district meeting held last Thursday evening, October 17, at Hamlin Park and witnessed the installation of the new officers of the district. The appointment of new chairman of the various committees was also announced and we are proud to state that Jeannette Pecchia was given the office of FIDAC chairman of the district. In announcing the appointment Mrs. Detweiler, dictress of the district said, addressing the audience, "If you had seen the marvelous work Mrs. Pecchia did for her unit as FIDAC chairman and the wonderful FIDAC play she gave last spring, you would feel as I do that she has done the most outstanding work in the district."

Mrs. Detweiler also announced the award Jeannette won on her scrap book about Belgium—Jeannette wore her hat on the back of her head all the way home. It wasn't big enough to fit on top. Don't forget the Masquerade ball to be given at the Union Hotel in Wheeling this coming Saturday, October 26. Merle Guild Post Drum and Bugle Corps is sponsoring it. Wear the funniest costume you can find and come assured of good time.

LIBERTYVILLE BIG BOYS TOO MUCH FOR ARL

It Was a Great Battle, But
Arlington Could Not
Get the Breaks

Last week Arlington's Cardinals underwent the same experience that they had administered to Warren and Crystal Lake in defeating them. This time, however, the boot was on the wrong foot. In the two wins Arlington failed to register as many first downs, or gain as much ground, as their victims. This Saturday the Cards outgained Libertyville only to lose. Apparently this is a good recipe to win—let the opposition accumulate the first downs, while you score the touchdowns.

A team of Wildcats almost on a par with their teams of the past few years defeated a stubborn Cardinal eleven in their annual struggle. It wasn't so much a team of Libertyville's as it was a quintet of stellar performers that did the work. This group consisted of Langworthy, the star of a rugged line, Madden and Isaacson, veteran ends, and Harlan & Jaeger in the backfield. Had Harlan been without his good right arm or Jaeger without a right foot, Libertyville would have gone nowhere Saturday. Arlington so completely bottled up all Wildcat running attempts that only a net of 54 yards was gained against them all afternoon. So they took to the air and it was in this fashion that they dealt it out to the Cards.

A thirty yard pass Harlan to Isaacson, was directly responsible for the first touchdown although Fritz carried it over. The other was another heave of like distance between the same combination. This time the giant Isaacson caught the ball on the 5 yard line and lugged it over with three midjet Cardinals dangling from his elbows or astride his shoulders.

Other than on these two occasions which they made good, Libertyville never was a threat.

Jaeger and Dearie staged a neat punting duel. Jaeger punted 9 times for a high average of slightly less than 38 yards while on 5 tries, Dearie averaged the high mark of 43 yards. Two by Dreschel brought Arlington's average for 7 punts to slightly over 38 yards. This is plenty good kicking for a pair of high school teams. Capt. Masny at center for Arlington put up a brilliant game. He was all over the field on defense and passed and blocked flawlessly on offense. There are few centers to equal him in these parts when he wants to play the game. Koppin and Johnson were the backfield stars. Johnson alone gained more ground than the entire Libertyville team, piling up an average of 5 1/2 yards out of 16 tries. Koppin was only a pace behind with a 4 1/2 yard average out of 9 trips with the ball. Fine defensive work by Fritz, Langworthy and Madden was the only thing to stop them at all.

Libertyville had the edge in the first quarter, getting the jump on Arlington by means of a neat lateral, they carried the ball to Arlington's 30 yard line where Arlington took it on downs. A series of long distance punts followed, one by Dearie traveling 65 yards from the line of scrimmage.

Then Harlan hurled his first heave to Isaacson, who was finally felled on the 21 yard line. A series of plays with Isaacson mainly carrying the ball and then Fritz went over. The kick for point was wide. The second quarter was all Arlington. Arlington scored two first downs, then a well placed punt put Libertyville in the hole. They kicked out, but Dearie returned it 15 yards to the 43 yard line. Five yards by Johnson and 5 more by Michaels put the ball on the 33

yard line. A twenty-three yard dash by Johnson was stopped on the eleven yard stripe. With an Arlington touchdown imminent, a fifteen yard penalty stopped them. Again they took the ball on their own twenty-five yard line and largely through two passes, Dreschel to Turner, they worked the ball up to the Libertyville 15 yard line as the half ended.

The second half was almost a duplicate of the first half. Libertyville scored on the long pass to Isaacson before the quarter was 5 minutes old. Then Arlington again put on a long drive which ended when Dearie fumbled on Libertyville's 30 yard line. The fourth quarter was fought out in midfield with Arlington making desperate efforts to get going. They registered three first downs, but were unable to get past the middle of the field.

And so another Libertyville-Arlington game went down into history. And all Arlington heaved a sigh of relief that this was to be the last time to face those mastodons—Isaacson, Madden, Langworthy et al—on the football field.

RIVAL ELEVENS MEET SATURDAY

A vacation Monday after their hard game at Libertyville Saturday; Tuesday a defensive scrimmage with Arlington's reserves taking the ball every down; a real workout against Dundee on Wednesday; a day off again on Thursday; and a light workout on Friday was the practice schedule for Arlington this week for their all important game with Palatine on Saturday.

Since "dope" has a habit of vanishing when the teams from Arlington and Palatine hook up Arlington is taking this game seriously and is bucking down to some real work in preparation for it. While the Palatine record is far from prepossessing this year, Arlington knows only too well how easy it is to be downed by overconfidence.

Palatine's veteran line while in tact hasn't been dented this year and it has been only by passes and around ends that her opponents have trampled on them. Nelson is one of the finest tackles around here with Freeman only a little behind him. Gaere, Wittenberg, Taylor and Wente go far toward making this wall well nigh impenetrable. Philbin has been rated by his opponents as a tough end. Only lack of experience in the backfield has handicapped Palatine. However, Mess, Waggoner and O'Brien have gained a lot of experience and are about due to make things hum for Arlington.

Arlington has named Saturday "Dad's Day" and a special "Loyalty Week" has been declared to build up the morale for this game. Each boy is urged to bring his Father to the game in an endeavor to show the parents something of what is being done athletically at Arlington. Loyalty to Capt. Masny, the team, and Coach Grose is being shown by the wearing of badges this week for the Palatine game. All loyal Arlington students are being strongly urged to come to the game Saturday to support the Cards in this, their next to the last home football game of the season.

THEATRE NEWS

"POET OF THE ORGAN"
RETURNS TO CHICAGO
AFTER LONG ABSENCE

With Joan Crawford's latest picture holding the spotlight at the Chicago theater for at least another week Balaban & Katz announce the return of another Crawford well known to Chicago theater-goers.

This is Jesse Crawford, who for several years caressed the keys of the Chicago theater Grande Organ, and who was probably more responsible for the popularity of organ music in theaters than any other

one person.
An innovation which he introduced and which proved so popular was the regular Sunday-morning organ concert. These will be resumed starting Sunday, October 27, at noon, and this half hour of popular and operatic melodies will continue as a regular feature indefinitely.

Balaban & Katz feel that in bringing this masterful entertainer back to the loop they are satisfying the wishes of many hundreds who have long felt the lack of really fine organ entertainment in the Chicago theater.

WHEELING DEPARTMENT

Wheeling Troop of Boy Scouts hope you are planning to attend the card and bunco party being held in the Wheeling school building this evening beginning at 7:30 o'clock. The party is sponsored by the Mother's auxiliary and the fee is 25c for adults and 10c for children.

Mr. Morris Taylor of Chicago, visited friends here last week. Mr. Taylor was a resident of Buffalo Creek Farm some years ago.

Mrs. M. Day with her two younger children, spent several days of last week with her brother in Indiana.

Mr. Grover Burnham, who is in charge of a drug store in Kalamazoo, Mich., spent Sunday here with his family.

Mrs. Chas. Johnson has been spending several weeks in Chicago helping in the home of a friend.

Mrs. F. Sicks and John Sicks motored to Dubuque for the week-end. Eighteen members of the 7th and

8th grades enjoyed a trip to the Field Museum last Saturday under the supervision of their teacher, Miss Bertha Keith. One of the mothers, Mrs. A. Schultz, also accompanied the party.

Tragedy again visited our village when the life of another of its citizens was snuffed out in an accident last Friday morning. Mrs. W. Ackerman and daughter were returning from an errand in Libertyville when their car slid into a train on the belt line crossing. Although not appearing to be so seriously injured, Mrs. Ackerman passed away before reaching the hospital. The daughter was able to return home after receiving treatment at the Libertyville hospital and is convalescing at her home. The sincere sympathy of all in the community goes out to bereaved family.

OBITUARY

HERBERT R. LESCH

Herbert R. Lesch was born at Chebanse, Ill., Aug. 15, 1906. While

a young boy the family moved to a farm near Welcome, Minnesota, where he spent his boyhood. When a young man he returned to Illinois to seek employment and spent a number of years in Mt. Prospect on the police force. About 8 years ago he was married to Miss Hazel Schulze, the young couple making their home in Mount Prospect. In the summer of 1933 they came to Wheeling when Mr. Lesch was appointed to the position of Police Chief. Several months after coming to Wheeling they took a baby girl, Ruby, into their family circle.

Possessing a cheerful disposition and a true sense of fair play, Mr. Lesch had soon won a place of respect in the community. A real shadow of sorrow descended on the village, young and old alike, when, on Tuesday afternoon, Oct. 8, his life was crushed out in an accident while riding north of the village. The body lay in state at the village hall from Wednesday to Thursday afternoon, where many from Wheeling and Mt. Prospect communities came to pay their last respects. A service was conducted by Rev. E. L. Shaw of Wheeling church at the hall on Thursday afternoon and a loud speaker system enabled the crowd who could

not enter, to share in the service. Many beautiful floral tokens gave silent tribute to the esteem of his fellow citizens. The body was taken to the home of his mother, Mrs. Anna Klusendorf at Welcome, Minn., where funeral services were held at the Evangelical church on Saturday afternoon. The pastor of that church, Rev. H. W. Radloff, presiding. Interment was made in the Welcome cemetery.

Those mourning his untimely departure are his wife and daughter, his mother, three brothers besides other relatives and many friends.

CARD OF THANKS

We wish to express our appreciation to all of those who so kindly assisted us at the time of the death and burial of our dear husband, father and brother, Herbert Lesch. Especially to those who gave to the floral offerings, songs rendered, and for the words of consolation expressed by Rev. Shaw.

Mrs. Herbert Lesch and Daughter,
Ray Lesch and Family.

MRS. W. ACKERMAN

Mrs. W. Ackerman, nee Gertrude Rosin, was born in Germany on Jan. 5, 1892, and came to America with her parents when she was about 9 years of age. The family settled in Milwaukee where she spent her girlhood and young womanhood. On July 27, 1911, she married Mr. W. Ackerman, also of Milwaukee. Three children were born into the happy family circle, 2 daughters and a son. For a number of years the family made their home in Crystal Lake, coming from there to Wheeling about 18 months ago. On Friday morning, Oct. 18, she was returning from Libertyville with her daughter, when their car slid into a freight train crossing Milwaukee avenue. They were rushed to the Libertyville hospital, but death overtook the mother before reaching the hospital. Funeral services were held at the home on Monday afternoon, Rev. E. L. Shaw officiating.

In accordance with the wish of the deceased, the body was taken to Graceland cemetery for cremation

and the remains will be taken to Milwaukee for burial.

Those who cherish her memory most dearly are her husband, Mr. W. Ackerman, her three children, Mrs. Audrey Klatt of Crystal Lake, Elwood and Lonna Belle of Wheeling; her father, Mr. Edward Rosin; two brothers, Paul and Max Rosin; a sister, Mrs. Margaret Chrap and numerous other relatives and many friends. Although the family is comparatively new in Wheeling, Mrs. Ackerman, with her genial personality, had long since won a real place in the affections of all in the community with whom she came in contact. Her untimely and sudden departure brings a sense of deep loss to the community. The sincere sympathy of all in the village is extended to the husband and children in their loss of partner and chum as well as wife and mother.

Verdi's "Il Trovatore"

Verdi's "Il Trovatore" opera was first produced in Rome on January 19, 1853; in the United States, May 2, 1855.
